Benefits for anyone interested in Math Education

Explained in the *Golden Rule Math for All God's Children* book

Learn all about how 21st Century Math Education is Vastly Superior to the now obsolete 20th Century Math Education still being taught by most schools and math textbooks.

Just look at the Table of Contents on the next page of this PDF.

Math is now Easy and Fun for All Students.

And, Inexpensive for your Entire Family.

Your book will include Special Offers which are worth \$29 or more.

One Special Offer is 30 Days of Math Education Training for students ranging from Beginners to advanced STEM students.

How to use a TI-30Xa Scientific Calculator, Prealgebra, Algebra, Geometry, Trigonometry, Calculus, and Differential Equations.

All Six Tiers of Math Training available for \$29/Month with the first month free if you only use it for one month.

See the Six Tier Syllabus from www.craighane.com

There are several Special Offers available, which will vary with time.

Indeed, as of today, you will learn how you can obtain ALL of the post-elementary Math Education for your Entire Family for ONLY \$9/Month IF you first help us spread the word and then later give us a Testimonial.

Unbelievable? Yes maybe, but True.

There are simply several amazing 21st Century Technologies which empower this to be done. Moodle, WooCommerce, MailChimp, AWS, Pod, and more.

Math Education can now be sort of like Netflix or Disney.

All you may ever want or need for a small monthly fee – for your Whole Family.

You may Learn all about this in the *Golden Rule Math for All God's Children* book.

Available on Amazon for \$29.
