

# **SPIKE Math Pedagogy - - - Mandatory!**

**If you want Guaranteed Success with ALL of your Math Students you may achieve it with SPIKE Pedagogy, and probably no other way.**

**Homeschoolers can practice it, and Now, Private Schools can also practice it thanks to our *Magic Carpet Math* Six Tiers Program.**

**SPIKE is my acronym for:**

<b>Self Pacing</b>	<b>Critical for any math student</b>
<b>Proper Content</b>	<b>Also critical for any math student</b>
<b>Interactive</b>	<b>Math is like a Sport.</b>
<b>Keep Score</b>	<b>Very important for psychology</b>
<b>Empathy</b>	<b>Mistakes are signs of progress.</b>

**I explain it more depth in Chapter 1 of a book you may listen to or read at: <https://homeschoolertoday.com/superior/>**

**It is very difficult, bordering on imposible, to achieve SPIKE Pedagogy in a Group Situation like a typical Math Classroom, and it is NOT the teacher's fault!**

**Thus, for Failing or Struggling Students, the *Magic Carpet Math* is a wonderful supplement that will deliver SPIKE Pedagogy and yield Success.**

**Visit: <https://www.triadmthinc.com/mcm/> for more info.**

**We can have a Zoom meeting with your School's Leaders anytime to discuss how Your School can improve your Math Program for ALL of your Students.**

**Just contact me anytime.**
