

Congratulations and Good News

Dear Parent/Coach,

Thank you for enrolling your student into my Dr. Del's Math Enhancement Program. We Both want the same thing for your student, - SUCCESS with Math.

This is the first of a series of Emails to help us achieve this Goal.

As you know you need to be sure your student has the TI-30Xa Scientific Calculator: Any big store or Amazon:

<https://www.amazon.com/Texas-Instruments-TI-30Xa-Scientific-Calculator/dp/B00000JBNS>

Very Important: You should print out the PDF Notes and Exercises for Tier 1 so your student will have them for study and review. BUT, ...

Guess What? If you don't want to print them out yourself?

There is a Printer that will print them out in a nice bound 8.5x11 Notebook for you for only \$5.99 plus Sales Tax and S & H. Believe it or not, and it is Amazon!

<https://www.amazon.com/Dr-Dels-Math-Notes-Exercises/dp/B08C9D71MH>

BTW, Amazon gets most of the \$5.99. We are just using Amazon as a Printer. I was amazed this was possible.

If You have any questions or comments please Send me an email or go to the Forum.

And, look at the P.S.

Golden Rule!

Craig

Dr. Del to your student.
