

Get Rich Opportunity

We have a Program whereby any organization, ORG, which has parents or student members can help them greatly and make money doing so.

Here's how.

We put a special Webpage for that ORG up like this one
<http://goldenrulemath.com/fb/>

ORG sends parents and students to it.

The visitor gets four Free Golden Rule Math books, PDFs, which will teach the parent or student how to get an optimal math education for any student. FREE.

Does not have to buy anything.

The visitor also is offered a great \$49 product to help any student improve their math performance no matter what math program they are taking.

Private or Public or HomeSchool. Doesn't matter.

When someone buys this product ORG will be given a \$15 donation.

Great opportunity for any ORG to help their members and possibly make some money.

Maybe a lot of money.

A large ORG might ultimately sell thousands and make many thousands.

The ORG can communicate any way it wishes. Many ways today.

OK, what is the Get Rich Opp for YOU?

You get an ORG to do this, and You will get \$5 on all of the ORG's sales.

Forever. (Residual Income)

There are several million USA students who could benefit from this.

Suppose you could recruit an ORG which sells 1,000 Programs.

You would make \$5,000.

How much time would it take you to recruit an ORG?

After all, NO up front cost to ORG.

No Risk to ORG.

Just help their members and make some money.

ORGS? You tell me.

Probably thousands of ORGS.

For example, Churches. How many?

Any ORGs you have special contacts with?

Contact me if you are interested. We can have a Zoom meeting where all of your questions will be answered.

Golden Rule!
