

ORG is any Organization which has parents and students as members.

## **Help Math Students & Earn some Money**

Golden Rule Math!

ORG can significantly help your middle and highschool Math Students, and earn some money easily and with No Risk to anyone.

Go to: <http://goldenrulemath.com/fb> and watch my short video which explains all of this.

Contact me if you are interested in helping your parents and their students by giving them three Golden Rule Math books which will improve their lives,

and also tell them about a wonderful Math Enhancement Program they can then buy for \$49, No Risk,

and when they buy one, ORG will be given \$15.

Also, contact me and I will give ORG one of these Math Enhancement Programs for you to have one of your parents help one of their students Amplify the student's Math Skills.

We can have a Zoom meeting to fully explain this opportunity and get you started.

Golden Rule!

Contact me anytime.
