

The “Succeed with Math” Crusade *Family Plan*

Two Questions: *Are You willing to:*

I. Tell other Families about the Crusade and give them a Free Gift to introduce them to the Crusade?

II. Tell them about Your Family's Experience with the “Succeed with Math” Crusade?

{This will encourage them to give the Crusade a chance to empower their family like it has empowered your family and take advantage of the Free Gift you will give them.}

If YES, then read on.

Family up to Four “Students” \$29/Month

This is what you are paying for your family's membership in the Crusade.

And, yes, we are pretty sure its better than any other Math Program you can purchase at any price for reasons you should be aware of from your own experience.

Triad Math, Inc., TMI, wants to do Two Things:

1. Get many more Families to join the Crusade for the Benefit of their Students.

2. Lower the Cost of TMI's Math Program to make it *nearly* Free. We can all take advantage of amazing 21st Century Technologies which is why TMI's Six Tier Math Program exists.

Would You like to help TMI achieve its Two Missions?

If Yes, read on.

I think you'll be pleasantly surprised!

Here's how you can help TMI achieve both of these objectives.

Simply Reply to us and ask for a Crusader I.D. which we will give you along with the Webpage link below.

[Reply to: dgoodman@triadmathinc.com Subject: Crusade]

Then do both I. and II. above, And send them for a Free Gift to:

<http://www.triadmathinc.com/free/?YourCrusaderID>

What will then happen for Your Family?

The Five 6's Plan

If another family you send this to then joins the Crusade after using your Webpage link to get their Free Gift . . .

Your Family will get \$6/Month so long as this new family remains in the Crusade.

So, Do the Math, if you get 5 new families to join the Crusade your Family will be earning \$30/Month and Your Math Training will be essentially free, i.e. No Net Cost. You'll pay \$29 and be receiving \$30. And, You will be really helping these families!

AND, If a sixth family joins you will be give a SupraComputer too along with the additional \$6/Mo. There is No Limit on how many new families you can bring to the Crusade.

TMI hopes the day will come when a million families are benefiting from the Crusade. It will be Great for America!

Be Aware, Even families whose children are going to a regular school can benefit from joining the Crusade. So, you can tell any families with teenage students you know.

Indeed, IF you could help us reach many more families this Crusader I.D. Program could become a Business Opp for you. Just think, 100 Families you bring to the Crusade earns \$600/Mo for your family. Can you contact lots of families?
