

TMI Math Ambassador

Triad Math, Inc., TMI, is the company You will be working for as an Independent Contractor. <https://triadmathinc.com/>

You will be given a 1099 Tax Form for all payments TMI pays you.

Your job as a TMI Math Ambassador will be to help any Teenage Students optimally improve their Math Skills and Knowledge by educating them and giving them a \$5 Book if they agree to take advantage of it by going to: <https://triadmathinc.com/teen/> and enrolling.

You will be taught how to do this in a way that will be fun and easy in a series of Zoom meetings.

Your compensation as an Independent Contractor will be as follows:

1. \$10/Hr if you have not completed Tier 1.
2. \$15/Hr if you have completed Tier 1.
3. \$20/Hr if you have completed Tier 2.

You will be given Bonuses if and when Your Efforts achieve various levels of Success, defined as how well the Students you give the \$5 book to progress.

There is No Upper Limit on how much you can earn!

Tier 1 Consists of the *Master the TI-30Xa Scientific Calculator and PreAlgebra*.

Tier 2 Consists of *Practical Algebra, Geometry, and Trigonometry*.

You or TMI can either one terminate this Independent Contractor Agreement anytime for any reason.

If you are interested simply send an email to: Craig@Hane.com with the Subject line: Yaaa!

Then I will email you back and we can schedule a Zoom meeting where I will answer any questions you and your parents have and then we can decide if this will be something we both want to pursue.

If you are under “adult age” for your state, then your parents or guardian will have to also approve this independent contractor arrangement.

You may learn about me at: <https://craighane.com/>
