

Triad Math Army (TMA)

Join the Triad Math Army for a Myriad of Benefits for ALL!

Any Human of any Age, Gender, Race, Religion, Nationality, etc., may be a Member of the TMA so long as they follow the Rules which are Be Honest and Helpful to everyone.

A TMA Membership costs \$30/Month or \$300/Year and can be canceled at any time. Indeed, the first Month can be canceled and the \$30 refunded.

Here are some of the Benefits for a Member of TMA.

1. Learn Practical Math, Online Self-paced, Fun and Easy, in a few months. Unlike any current High School Math Program.

Visit: <https://triadmathinc.com/5math/> to learn all about it.

Metaphor: This is kind of like driving a car. It is pretty easy and very empowering. Now you can go places impossible without a car.

2. Earn Money. You may recruit other TMA members and be paid 1/3 of their Membership fees for your efforts. No limit on how many you may recruit. For example, recruit three new members and if they pay \$30/Month You will receive a total of \$30/Month. If you could recruit 100 new members you could earn \$1,000/Month. With Social Media some of you might do this or much more. NO LIMIT.

3. Learn advanced STEM Math if you are interested in Science or Engineering in a way impossible in any ordinary school. To understand this you may want to read or listen to Chapters 9 and 10 in the book: <https://homeschoolertoday.com/superior/>

4. Participate in Zoom meetings with Dr. Del and other Members. Dr. Del is the Founder of the TMA. Learn about him at: <https://craighane.com/>

5. Ask questions at a TMA Forum.

6. You will be given several books and many videos to learn much more from and more things in the future.

7. Learn to Learn. Valuable for any future career path you take.

8. Learn to Coach. Valuable for future leadership roles you might choose.

9. Learn all about and experience a Convex Option. Life Changing.

10. Learn about Extrinsic Motivators which will determine your life's path.

11. Join the TMA at: <https://triadmathinc.com/TMA>

The TMA War!

What War is the TMA engaged in?

The Current High School Math Education System is Horrible and Failing virtually All of our Students.

It IS NOT the Math Teachers' fault. They are Victims too!

This is explained in Dr. Del's, aka Craig Hane, book: *How and Why Public School Math is Destroying the USA*.

<https://www.amazon.com/Public-School-Math-Destroying-USA/dp/B0B3NWPBWP> for \$4.80...

...or get a free PDF copy at: <https://craighane.com/book/>

Wars are fought with Many Battles, some Won, some Lost.

When a Student receives an Optimal Math Education that empowers a wonderful Career Path or Job, that is a Battle Won!

YOU can win many Battles, starting with Your Own Battle!

The War will be Won if and when the USA Public Schools teach our students an Optimal 21st Century Math Education.

MAJOR BENEFIT for a Member of the Triad Math Army

Open Sesame to 1001 Educational and Professional and Business Opportunities that are otherwise Inaccessible when the Proper Math Education is a Prerequisite.

**And, in this 21st Century,
there are and will be millions of jobs and career paths that do not require College to pursue that will yield a good income.**

Just Practical Math alone, which virtually ANY student can master in less than a Year will open up many paths in the technical world.
