Dear Dean,

Congratulations, Very exciting future for us all.

I have a wonderful set of Gifts for Young Adults and Parents that I believe will help NY achieve your goals.

I have sent several Emails to Future Mayor Mamdani.

You may read PDFs of them at: <https://triadmathinc.com/mamdani/>

This will be Email #6.

In a nutshell, I can offer various Gifts to Mamdani's Army that will help many of them significantly improve their lives, and then help many others do so too.

What if many young New Yorkers could dramatically improve their lives?

I believe this could help NY achieve many of Mamdani's goals.

I would love to have a Zoom meeting with you or anyone you choose to discuss it and get started NOW.

I think you guys could start improving NY Now, even before Mamdani becomes mayor.

It will start with a set of Gifts you can give anyone starting with:

<https://triadmathinc.com/so/>

and then go beyond that in a big way.

What if 500,000 young NY adults **increased their earnings** by say, \$20/Hr.?

What if most of NY's teenage students could excel in Practical Math for a near Zero cost?

The Mamdani Army can really help you guys achieve your ambitious goals and this can help the Army..

I watched your interview with Rober Reich. You will be a Key to Mamdani's success for sure.

You can learn all about me at my website below.

Golden Rule!
